SUBJECT

Water supply grants to certain Municipalities in the Chittagong during 1943-44

To,

The D C Chittagong Ltr. No. 6993G, 13-1-44 forwarding certain instructions in the matter

Received 14/2/44

From the D. C. Chittaldrug
No A 6 649 / 43 dt 30-11-43
the proposals were required to the
grants required to certain villages
in the Chitaldrug Dt for improvement of water supply
for 1943-44 The following are the villages to which
grants are recommended —

1. Chitaldrug Town

a) water supply project from Kathal
project — A sum of Rs 1,00,000/- was promised to
be found by prot. Govt - the work on account of the
non availability of materials required, the work could not
be taken up during last year the question may perhaps
be over this year also and the amount promised
given when the work is actually taken up for
execution

to be allowed for yes
16 12 41

2 Davangere

construction of a R C C tank — this question
is being dealt with separately. A sum of
1/3 of the total cost has been decided to be
given for this work during this year - some sanctions
orders on the other points have been issued
individually - vide statement

issue of sanctions orders may be awaited from
16 12 41

3 Harihar

Towards half the excess cost of the revised estimate
for water supply improvement → Rs 2,000/-
This question is also being dealt with separately
and further information called for from
the D P H in the matter is awaited

orders in the connected file will be awaited from
16 12 41

h grants are recommended for the year 1943-44

Amount of grant required for 43-44	Amount recommended	Remarks
34,500/-	34,500/-	The Sanction of Government has been solicited in the office letter No A6 3232/41-42, dated the 18th March 1943 The estimate is proposed to be worked out in two years
5,500/-	-	Government has ordered in No L 2465-7/ML 64-43-4, dated 26-8-1943 that the entire cost should be met from the Municipality
25,850/-	-	Government in their order No ML 64-43-12, dated 19-10-43 have ordered that the Project may be put off for the present
6,600	--	As the Municipality would get a return by giving house connections in the locality, the entire cost will have to be borne by the Municipality in accordance with orders contained in Law Secretary's No 3610-2/ML 86-42-16, dated 23-9-1943
6,587½	=	
2,000/-	2,000	The original estimate for Rs 20,000Ø- as sanctioned by Government in order No 4 4095-98/M1-110-39-158, dated 18-11-1941 and half the cost was sanctioned as a grant The estimate has since been revised to Rs 24,000/- The revised estimate was submitted to Government for sanction with this office letter A6 2872/42-43, dated, 17-7-1943 and a recommendation to grant half the excess cost from Government has been made in this office letter of the 19th April 1943
5,000/-	5,000	As the financial condition of Nolakalmuru minor Municipality is not satisfactory, the entire amount is recommended as a grant from Government, as it is very necessary to improve the water supply of the town, and as considerable difficulty is usually being experienced by the people during summer The estimate will be obtained and submitted for sanction separately

Sir,

I ate of issue 12/1

With reference to your letter No AG 649/43 dt 30-11-43 forwarding proposals in regard to the payment of grants to certain ~~for~~ ~~certain~~ Municipalities for the improvement of water supply of the places concerned, I am directed to state as follows—

Signed by for Mr. G. R. Law

The question of sanctioning such grants for the construction of a R c c tank at Dewangiri and for the improvement of water supply at Haraburi are being dealt with separately and orders will issue ~~will be issued~~ in

List of enclosures

Copied by 24/1/43

Examined by

The work relating to the water supply project from the Kathedral tank to the Chittaldrug Town may be taken during the current year also an account of the non-availability of materials and machinery required for the project and the question of sharing the govt grant towards the scheme should be considered when the work is actually taken up for execution

As regards the improvement of water supply at Molakalmuru by acquiring the Kalasagara Kaipale well & the lands attached to it etc at an estimated cost of Rs 5,000/-, the estimate for the work may be obtained and subject to govt early ~~approval~~ recommendation to a govt grant in this behalf will be considered by govt after the receipt of definite proposals in this behalf

A grant of Rs 750/- has already been made for the Municipal water supply in this behalf vide govt order dated 2-11-1943
